

WORK AUTHORIZATION AND WAIVER OF LIABILITY

I authorize Will Get I.T. Done, Inc. (WGID) to diagnose and repair my equipment and furnish necessary materials. I understand any cost quoted is an estimate. Our rate is \$149/hr. for tier 1 and \$229/hr tier 2, some examples listed on back. \$20 on site/transport charge (pickup and dropoff amount to 2 charges) or drive time one way if greater than 20 minutes. Minimum 1 hour in person or 1/2 hour for remote work. Same day cancellation/no call no show fee is \$50.

Rush, nights and weekends add \$70/hr. Initial Here for Rush Work

- 1. I am the customer or authorized agent of any equipment submitted for service. I release WGID from liability for any hardware, media, loss of profit, or any direct, indirect, special, incidental, or consequential damage occurring during or after service. Will Get I.T. Done is not liable for lost or unrecoverable data. Customer agrees to make sure ensure all expected work is completed satisfactorily at the close of a service call - we suggest use of a checklist. Our service is on a hourly basis and it takes time to make sure everything is correct.
2. Diagnosis, system planning and consulting is billed at regular hourly rate. Diagnosis may involve replacing suspected parts at customer's expense, that may lead to further diagnosis. Electronics may contain unique parts which can only be diagnosed by replacement, and WGID can not stock parts for every model for this purpose. For example a suspected bad power supply for a unique model computer may be replaced but could lead to determination that the motherboard is the actual faulty part. Payment is due for all non-stock parts involved in diagnosis. Advice and concierge shopping is billed at our normal rate.
3. Payment: For single-instance work I understand that payment is due in full at the completion of service. For customers who use WGID's services regularly we are happy to invoice under Net 30 with 10% monthly interest after 30 days. Customer agrees to pay a \$25 open balance fee each month that no payment is received. WGID is not a lender, we accept credit cards for your financing needs. Will Get I.T. Done's labor rate and attorneys fees apply to collection of overdue balances (over 30 days from invoice postmark or email). I understand that there is a \$50.00 fee for any returned checks. Payment is due whether service is successful or not.
4. Estimated Completion Time: Will Get I.T. Done, Inc. strives to complete all work in a timely manner. Most repairs take most 1 to 5 business days. Please let us know if it is a rush, additional rate applies. We pay for rush shipping when needed and pass on fees. You will be notified when your system is ready, or if additional information or more extensive repair is required. Customer agrees that WGID is not liable for computers picked up before completion due to their prerogative and they are still liable for payment for services.
5. Data Recovery: If data recovery service is requested, I understand that, even if the data is successfully recovered, there is a possibility that individual files and directories may still be inaccessible. Data Recovery is \$300 minimum and results are not guaranteed.
6. Privacy: Will Get I.T. Done staff are required to treat customer's personal information as confidential and are prohibited from viewing, copying, discussing or distributing such data except as needed to fulfill service requests, or as required by law. WGID and its agents will act diligently to protect the confidentiality of any data left in our care, but are not liable for loss or theft of data.
7. Abandonment: If you do not pick up your equipment within thirty (30) days after we notify you that work is complete, we will treat your equipment as abandoned. You agree to hold WGID harmless for damage or loss for abandoned property. All charges are still due.
8. Guarantee / Warranty: New parts purchased from WGID are often guaranteed by the manufacturer, customer can make warranty claims. Customer agrees WGID liability is limited to forfeiting our charges. WGID does not warrant parts in the event that manufacturer warranties are irredeemable. Many computer issues are caused by malware or user damage to software, and no software or antivirus program is perfect. Will Get I.T. Done, Inc. makes no warranty or guarantee as to the success of our labor on your behalf, and using antivirus does not guarantee your equipment is safe from viruses. Returns of parts or computers accepted at our option with a 20% restocking fee. Please backup your data regularly. Electronics can fail anytime, ask us to verify your backup. Will Get IT Done does not guarantee protection from risks, predators or threats of any kind. We do offer services that may help mitigate these.
9. Scope of Work: Will Get I.T. Done, Inc. will perform the work agreed upon and deemed necessary to fulfill your requests. This includes indicating agreement on third party installers, which Will Get IT Done accepts on behalf of customer to complete requested software installation on behalf of customer; WGID is not party to that agreement. This agreement applies to all work performed unless agreed in writing. If any part of this Agreement is found to be invalid or unenforceable under law, all other parts continue to apply.
10. Governing Law and Jurisdiction: This Agreement is to be governed by the laws of the State of Maryland and adjudicated exclusively in the County of Anne Arundel. Any part of this agreement that is found to be unenforceable is struck and all other parts continue to apply.
